Penalties and Fees:

Regardless of payment option, if payments are not received by the close of business on the due date **printed** on your bill, a penalty of 10% of water charge will be added to the net amount of the customer's bill. Should the due date fall on a non-business day (i.e. a weekend day or LCBPU recognized holiday), the next business day will be held by LCBPU as a day of grace for delivery of payment.

A computer-generated telephone call is attempted to residential and commercial customers, provided the customer has given a VALID telephone number where he/she may be reached. This courtesy call is a reminder to customers who have an unpaid balance. This call is made in an attempt to notify the customer of their final due date prior to the disconnection of the customer's water service.

Water Service will be discontinued if not paid prior to the designated disconnection date **printed** on your bill. A delinquency charge of \$30.00 (7:30am to 4:00pm) an **additional** \$10.00 (4:00pm to 4:30pm) will be charged to all unpaid accounts on cut off day. Customers who have their water turned back on must make payment in full (total amount of bill plus the delinquency charge) in the payment center by 4:30pm. No service will be restored after hours.

A customer with a 12 months history of no prior disconnects may elect to sign up for bank draft in lieu of the \$30.00 delinquency charge. In such case, the bank draft must be maintained for a minimum of six months or the \$30.00 will be reapplied to the account.

Failure to receive your bill **does not** release customer from their payment obligation.
